RISK ASSESSMENTS / SAFE OPERATING SYSTEMS

We believe that Risk Assessment applies to everyone and is the key factor in relation to Health and Safety. Risk Assessment is something we all do every day and most activities have some form of risk attached to them.

The object is to assess the level of risk, determine whether it is acceptable and introduce measures to minimise or eliminate the risk by:

- Preparing and implementing safe working practices
- Monitoring, inspecting and reporting regularly
- Identifying potential hazards and knowing what to do to minimise risk and respond if something goes wrong.

We are aware that we may need specialist advice to assess some risks, but many require a common-sense approach and continued diligence.

We are of the opinion that if something is not acceptable at home then it should not be acceptable in school.

All of us have a legal responsibility for the safety of our colleagues.

HEALTH AND SAFETY INSPECTIONS

A daily inspection is undertaken by the groundsman (site manager) who reports to the Headmaster. Weekly checks are undertaken by the relevant personnel. The Local Authority Health and Safety section undertakes an annual inspection.

REPORTING

The Deputy Headteacher receives a daily report from the groundsman (site manager) (book in kitchen).

RAISING AWARENESS OF THIS POLICY

We will raise awareness of this policy via:

- the Staff Handbook
- meetings with parents such as introductory, transition, parent-teacher consultations and periodic curriculum workshops
- school events

- information displays in the main school entrance.

EQUALITY IMPACT ASSESSMENT

Under the Equality Act 2010 we have a duty not to discriminate against people on the basis of their age, disability, gender, gender identity, pregnancy or maternity, race, religion or belief and sexual orientation.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

MONITORING THE IMPLEMENTATION AND EFFECTIVENESS OF THIS POLICY

The practical application of this policy will be reviewed annually or when the need arises by the coordinator and, the Headmaster.
