

ATTENDANCE and TRUANCY

Whilst data from all previous attendance audits points to a 0% truancy rate historically, the School believes it important to consider all aspects of attendance and truancy factors and embed good practice should the need arise.

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

We believe this policy relates to the following legislation:

- Children Act 1989
- Education Act 1996
- Crime and Disorder Act 1998
- Data Protection Act 1998
- Criminal Justice and Courts Services Act 2000
- Education (School Attendance Targets) (England) Regulations 2005
- Education (Pupil Registration) (England) Regulations 2006
- Education (School Attendance Targets) (England) Regulations 2007
- Education (School Attendance Targets) (England) (Amendment) Regulations 2010
- Education (Pupil Registration) (England) (Amendment) Regulations 2010
- Education (Pupil Registration) (England) (Amendment) Regulations 2013
- Education (Penalty Notices) (England) (Amendment) Regulations 2013

The following documentation is also related to this policy:

- Advice on School Attendance (DfE)
- Improving Attendance at School (DfE)

We believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children take full advantage of the educational opportunities available to them and to raise standards by promoting regular attendance and punctuality of pupils.

We are committed to providing an education of the highest quality for all our pupils. We believe high attainment depends on good attendance.

We expect all school personnel to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all pupils are eager to learn, feel valued and enjoy coming to school. School personnel have a responsibility for identifying trends in attendance and punctuality.

Sometimes a pupil's absence or lateness may not be their fault and in these circumstances it is our policy to be supportive of the child and not to make them feel guilty or inadequate. Also, at times we have to give allowances for religious beliefs and individual family circumstances.

We are a school linked closely to an active RAF base. We always give allowances, within reason, for children of a pre-deployed or deployed parent/s.

We believe it is essential to regularly remind parents of the importance of good attendance and its links to pupil attainment. The Education Act 1996 clearly states that the prime responsibility of parents/carers is to ensure that their children attend school regularly.

We believe truancy is a matter that we treat very seriously, as we feel pupils are not only losing valuable learning time but they are putting themselves at serious risk, as the school and their parents are not aware of their whereabouts.

Parents have a duty to ensure their children are well-behaved and attend school regularly, as 'good behaviour and attendance are essential to children's educational prospects'. A Behaviour Policy is in place where parents and pupils sign on admission to the school.

We believe it is essential to have a strong working relationship with the Education Welfare Service, which provides support for pupils and their families in order to promote good pupil attendance and to reduce truancy.

We are aware that leave of absence can only be granted to a pupil only in exceptional circumstances and in authorising a holiday in term time we will take into account the child's attendance record, the child's age, the reason for the trip, the time in the academic year and the employment difficulties that parents face by taking holidays in school holiday time.

We will exercise a consistent approach and ensure equity for all pupils.

We will achieve this by having in place a home-school agreement that all parents have signed up to and by improving pupil attendance and truancy.

We acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We, as a school community, have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
